

F.NCTE-CDN017(12)/114/2017-NCTE-HQ

February 09, 2018

To,

All the NCTE recognized Teacher
Education Institutions

Sir / Madam,

The Ministry of HRD, Government of India had initiated an All India Survey of Higher Education (AISHE) in the year 2010-2011 to build a robust database and to assess the correct picture of higher education across the country.

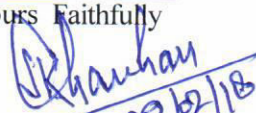

2. In order to achieve the objectives, all the teacher education institutions recognised by NCTE were requested to upload the data in respect of their institution in the Data Capture Format on the AISHE website i.e. www.aishe.gov.in so that reliable and comprehensive data base can be finalised.

3. The task of All India Survey of Higher Education (AISHE) for the year 2017-2018 has commenced from 05th January 2018, hence, all the Teacher Education Institutions recognised by NCTE irrespective of their year of recognition are required to upload the data on the AISHE portal by 04th March 2018, which is the closing date of the portal. This task may be given top priority and it should be accomplished within the given time frame, as there will not be any possibility for extension of time beyond the deadline given above.

4. In case of any problem in uploading the AISHE Data, the institutions can approach the AISHE Helpdesk, as per the details given below :-

Technical Support	support-aishe@nic.in	011-22185031	Technical Support Resetting Password, Changing E-mail IDs and query related to technical problems while uploading the DCF/TIF
